

## Job offer

The Cooperative is currently looking for :

### **Gardener**

Do you like working outdoors?

We are a cooperative of workers in the production of forestry plants. Our mission is to produce, for the Ministry of Natural Resources and Forests, forestry plants that meet the highest quality standards in reforestation. We are a member of the Quebec Federation of Forestry Cooperatives (FQCF).

For our nursery located in Paspébiac, on a surface of 6 ha, we produce more than 3.5 million plants, mainly with black and white spruce species.

Come join our experienced team!

As a gardener you will have the following tasks

- Carry out maintenance work (fertilization, cleaning, watering, pruning, weeding, winter protection) and seedlings according to the specifications received;
- Carry out the prescriptions according to the specifications issued by the crop manager;
- Carry out the watering of the plants according to the specifications received;
- Proceed to the verification of the tunnels and fields and carry out the watering, if necessary
- Work according to the instructions and specifications received;
- Respect of safety rules and quality criteria in force at the cooperative;

### **Conditions and experience**

**Education:** Diploma of Vocational Studies (DVS) in horticulture

**Start date:** end of April to end of August 2023 (approximate)

**Schedule:** Full time, occasional weekend shifts

**Workplace:** Paspébiac, Gaspé

**Salary:** Salary scale according to the existing scale (training and experience taken into account)

**Qualities, aptitudes, and skills sought:**

- Likes to work outside;
- Good physical capacity;
- Concerned about the quality of production;
- Enjoys teamwork;

**Benefits:** Being a member of our cooperative means :

- Participating in the ownership of the cooperative;
- Hiring priority and information about the cooperative;
- Power sharing at the general assembly;
- Participation in the results of the cooperative;
- Safety equipment allowance is offered;
- Training offered;
