

Job Offer

The cooperative is currently looking for:

Production manager

We are a cooperative of workers in the production of forestry plants. Our mission is to produce, for the Ministère des Forêts, de la Faune et des Parcs, forestry plants that meet the highest quality standards in reforestation. It is a member of the Quebec Federation of Forestry Cooperatives (FQCF).

For our nursery located in Paspébiac, on a surface of 6 ha, we produce more than 3.5 million plants, mainly with black and white spruce species as well.

Come join our experienced team!

As the **production manager**, you will be responsible for the maintenance of the cultivated plants to maximize their quality. You will be responsible for the removal of seedlings from tunnels, seeding for delivery to the reforestation, and thinning and transplanting. You will compile data. You will have small teams to supervise.

Conditions and requirements: professional diploma in horticulture and/or bachelor's degree

Start date: Mi-april to October 2024 (approximately 26 weeks)

Schedule: Full time, occasional weekend shifts

Workplace: Paspébiac, Gaspésie

Salary: salary range according to the existing salary scale (training and experience considered)

Profil required:

- Leadership
- Rigor, meticulousness, and efficiency
- Ability to work in team and collaborate with peers
- Autonomy and resourcefulness in the face of the unexpected situations

Other benefits: Being a member of the coop means:

- Participating in the ownership of the cooperative

- Hiring priority and information on the cooperative
- Power sharing at the general assembly
- Participation in the cooperative's results
- Safety equipment allowance
- Training offered

For more information, please contact Mr. Marc-Olivier Labrecque, operations manager, at 581-307-1537
